### **Student's Feedback Report (2023-24)**

The Student Feedback Report for 2023-24 provides insights into the academic environment, infrastructure, and facilities at Laxminarayan College. The feedback highlights student satisfaction and areas for improvement.

Students appreciate the classroom environment but suggest better infrastructure and cleanliness. Laboratory facilities are satisfactory, though upgrades are needed. Sports facilities require improvements, including a well-maintained ground. Internet connectivity and computer center access need enhancement. Hostel maintenance and placement support require attention. Library resources should be expanded with updated books. Hygiene issues, particularly in washrooms, need urgent resolution. The grievance redressal system is functional but could be more responsive.

#### **Teaching & Learning Experience**

Students commend the punctuality, approachability, and effectiveness of teachers. The completion of syllabus is timely, and classroom participation is active. Innovative teaching methods, including ICT tools, are used, but some students prefer traditional board work for better comprehension. The student-teacher relationship is highly positive, with faculty being supportive and impartial.

#### **Suggestions for Improvement**

Key recommendations include constructing an auditorium, improving classroom and washroom maintenance, expanding library resources, and enhancing sports infrastructure. Better Wi-Fi, practical exposure through field visits, and faster grievance redressal are also suggested. Additional faculty appointments are needed to strengthen academic support.

#### **Conclusion**

Overall, students are satisfied with the academic environment and faculty support. Addressing concerns regarding infrastructure, library facilities, and hygiene will further enhance the student experience. Implementing these improvements will contribute to the continuous growth of Laxminarayan College.
