1.1 What is SAMS?

SAMS stands for **S**tudents **A**cademic **M**anagement **S**ystem. In this system, students are taking admission online into +3 classes of Arts, Commerce, and Science streams along with Sanskrit Colleges. This admission process, which is carried out through the internet and computers is called e-Admission. Besides e-Admission, SAMS also maintains the academic and financial records of each student admitted into different colleges.

1.2 Objective

The objectives of SAMS are to:

- Ensure a single-window system for admission through the e-Admission process
- Make the admission process economical
- To make the entire admission process transparent, thereby reducing the anxiety of applicants/parents regarding selection
- Reduce the workload of HEIs by developing several modules of administration using the database of admission processes and thereby improving services to the students.

1.3 Components of SAMS

There are two components of SAMS: e-Admission & e-Administration:

1.3.1 e-Admission

e-Admission aims at successful use of Information Technology to make the admission process simple, economical, fast, and transparent. This process is accomplished by the use of Computers and the Internet.

Sub: Guideline to validate Common Application Form (CAF) in SAMS Resource Center under project Student Academic Management System (SAMS).

Madam/Sir,

With reference to the subject cited above, I am directed to inform you that the following guidelines have been fixed with regard to validate the Common Application Form (CAF) in SAMS Resource Center under project Student Academic Management System (SAMS).

1. Common Application Form (CAF) will be only received & validated at the notified SAMS Resource Center (SRC) by the Government.
2. A member of the validation team shall (validator) be engaged at the ratio of 1:100 i.e. one validator per 100 sanctioned strength of students for effective & error free validation. The strength may be calculated taking sanctioned strength of the tagged college.
3. Each individual Validation Team Member (VTM) shall be responsible for any mistake in validation. Hence, each one should ensure its correctness right upto updating the same in the e-Space (Software). A mistake may deprive a genuine applicant for his/her admission in the college.
4. There should be two steps of validation.
 - i) First, a validator should check the college copy of the CAF w.r.t the document submitted by the applicant manually.
 - ii) Then the online software in e-Space (opens with user ID & password sent to the mobile of respective VTM) will be utilized to change (as per the facts reflected in the self certified enclosures) the wrong data (if any). Necessary training to the validators shall be given by the Data Entry Operator in this regard.

5. The original certificates of selected candidates shall be checked at the time of admission at the destination college where a student will be selected to take admission.
6. A validator should see the items very carefully, which are directly related to selection procedure like Reservation, Weightage, Marks, etc.
7. It is seen that old syllabus pass out student having extra optional are applying. In that case one shall deduct the extra optional mark both from mark secured & total mark and put in the appropriate box.
8. A detailed guideline for "How to Validate the Marks" is given at Annexure-1
9. As validation plays an important role in the e-Admission process, for better monitoring, some reports such as Report on Equal Marks, Report on Abnormal Max Marks, Compartmentally Pass, Marks Secured More than 90%, Not Validated CAF Report, Category wise Report, Report on International Sports, etc are being generated in e-Space where a validator can take the printout and cross check manually with the CAF to ensure error free validation. The items corrected in the CAF by a validator will be prominent (in Red colour) in the "CAF wise Comparison Report".

Yours faithfully —

Subject: Regarding provision for students seeking admission in higher educational institutions-reg.

Sir,

Some of the students along with their parents have approached this department to get their sports achievement documents counter-signed, for the purpose to avail reservation in educational institutions.

2. I am to clarify that there is no provision to countersign any document at this department.
3. As per the guidelines, students having achievements in sports competitions are issued weightage certificate on submission of application to this department in the prescribed manner. The previous arrangement to submit hard copy application has been stopped and the entire process of submission of application and issue of Weightage Certificate as per the guidelines has been digitised.
4. The digitally issued Weightage Certificate bears a QR code, a serial number, photo and signature of the applicant and the details of the issuing authority. The QR code may be scanned to ascertain the authenticity of the document. In case of any doubt, the authority concerned may contact this department quoting the name on the document and the serial number.

This clarification is issued for removal of difficulties faced by the students as well as the educational institutions at the time of admissions. Concerned authorities may kindly be instructed accordingly.

Sub: Countersigning of certificates of Sportspersons for admission into Educational Institutions.

Madam/Sir,

In inviting a reference to the subject cited above, I am directed to intimate you that Educational Institutions such as KVS, DAV, CBSE /ICSE Schools etc. send their sports teams to the National School Games (Conducted by SGFI) directly without routing through the State Schools Sports Association. Therefore, Sports & Youth Services Department, Govt. of Odisha, after careful consideration, in its Letter No : 2390/S&YS/dt.29-02-2016, has clarified that in such cases, suitable Officers of Regional/State Office of such Educational Boards may be the competent authority to countersign the certificates. (Director/Secretary of S&YS Dept. or Director of Secondary Education are not the countersigning authorities in this case.)

Therefore, in such cases, you are requested to accept the sports certificates (certificates issued by SGFI for National School Games), countersigned by any designated officer of the Regional/State Office of the Board concerned (For Example : for KVS, Deputy Commissioner or any designated officer of KVS, Bhubaneswar Region, Odisha), and allow the students to avail the weightage as mentioned in Common Prospectus 2019.

Certificates not issued by SGFI and/or certificates not pertaining to National School Games are not eligible for any weightage, even though counter-signed by designated authority of these Boards.

This is treated as "Most Urgent"

Sub: Ragging prevention measures in Universities and Colleges (under HE Department)

Madam/Sir,

- (1) As the time for admission of new students into universities and colleges has come, all universities and colleges (under HE Department) are hereby directed to take up ragging prevention measures as per UGC notified 'Regulations on Curbing the Menace of Ragging in Higher Educational Institutions 2009'. UGC has amended this Regulation thrice in the meantime. This Regulation, with its amendments, is available in the UGC website. Letter of UGC dated 16.10.2020 is enclosed herewith at (Annexure-A) for your reference.
- (2) As per the 2nd Amendment of the above-said UGC Regulations, it is compulsory for each student and his/her parent/guardian to submit an online undertaking each academic year in either of the two designated websites namely (www.antiragging.in) and (www.amanmovement.org). Procedure for filing online anti-ragging undertaking has been communicated by UGC vide its letter dated 27.10.2021 (Annexure-B). If it becomes difficult to file online undertaking, institutions shall obtain physical undertaking from students and their parents/guardians in the format given in Annexure C (1) and C (2). As this physical undertaking is not an affidavit, there is no necessity of getting this undertaking verified/signed by any Notary Public or Oath Commissioner.
- (3) All institutions should distribute pamphlet/leaflet amongst students of all batches, once in a quarter, containing anti-ragging messages as well as

punitive actions that can be taken against students found involved in ragging. The pamphlet/leaflet should also contain National Anti-ragging Helpline number and e-mail Id and also the mobile number and e-mail Id of important functionaries of the institution including that of Hostel Warden, Hostel Superintendent, Head of Institution, Anti-ragging Squad Members, etc. These telephone numbers and e-mail Ids should also be conspicuously displayed, in shape of wall paintings or display board, at various places of the institution especially in hostels including private hostels situated outside the campus.

- (4) Institutions should organize awareness programs/workshops on "Awareness on Ragging and Anti-Ragging Measures". Consciousness among students should be spread by conducting Dramas, Audio Visual Events, Nu-Skool, etc. Efforts should be made to create the ability in students to understand and share the feelings of one another. Emotional Quotient (EQ) is to be developed in them which will in turn help them to manage their own emotions in a positive way in their professional and personal life.
- (5) An active and effective Anti-ragging Squad is perhaps the most effective way of prevention of ragging. An Anti-ragging Squad, comprising of 3 to 4 teachers, shall be constituted by the Head of the Institution for maintaining vigil, oversight and patrolling function. The Squad shall remain mobile, alert and active at all times. The telephone number of the Squad members should be intimated to students of all batches through pamphlet/leaflet and display board/wall painting. The Squad should make surprise visit to hostels and other places vulnerable to incidents of ragging, including private hostels and such other vulnerable places outside the institution campus. The Squad shall conduct enquiry into any incident of ragging referred to it by the Head of the institution or any teaching or non-teaching employee of the institution or any student/parent/guardian or by any other person; and submit its enquiry report along with recommendations to the Head of the Institution. While conducting enquiry, the Squad must follow fair and transparent procedure. Students accused of ragging should be given adequate opportunity to defend themselves. On receipt of enquiry report of the Anti-ragging Squad, the Head of the Institution shall take appropriate action as per the provisions of the UGC Regulations.

The Squad shall also conduct discreet random survey amongst fresh students every fortnight during the first three months of the academic year to verify and cross-check whether the institution is indeed free of ragging or not.

- (6) Notwithstanding the obligations and responsibilities of members of Anti-ragging Squad, Anti-ragging Committee and the Head of the Institution, it shall be the general collective responsibility of all teachers and staff/employees of the institution, whether regular or temporary, to prevent or to act promptly against occurrence of ragging or any incidence of ragging which comes to their notice.
- (7) No institution shall condone any reported incidence of ragging in any form. Action against students found guilty of ragging and/or abetting ragging must be taken in accordance with the provisions of the UGC Regulations. For every established case of ragging and/or abetment of ragging, the institution shall file First Information Report (FIR) with the Local Police Authorities under the appropriate penal provisions of Indian Penal Code (IPC). Without waiting for the outcome of such FIR, the institution shall also take action against the students found guilty of ragging or abetment of ragging by imposing suitable punishment as mentioned in Para-9.1(b) of the UGC Regulations.
- (8) Ragging is a criminal offence and is also a dehumanising and abominable act. Institutions must sincerely endeavour towards ensuring a ragging free campus to eliminate the scourge of ragging. Incidents/Allegations of ragging should not be ignored and swept under the carpet to present "All is well" message. In established cases of ragging, institutions must not try to patch up between the student(s) found guilty of ragging and the victim(s) of ragging. Such laxity towards ragging will do more harm than good to the institution in long-term.
- (9) Members of State-level Anti-ragging Committee, District-level Anti-ragging Committees and HE Department-level Anti-ragging Committee may make random and surprise visits to Universities and Colleges to check whether desired anti-ragging measures are put in place or not.
