

3.4.1: Outcomes of Extension activities in the neighbourhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.

Laxminarayan College has been contributing towards the society and environment by making a participation to promote College-Neighborhood-Community network. Major emphasis is given on student engagement, service orientation and holistic development of students contributing to good citizenship. The College has developed a very strong ecosystem of extension activities through its three wings of NCC-Army, Navy and Air, NSS, YRC, Red Ribbon Club, Electoral Literacy Club and Eco Club. All these units under the able leadership of a team of committed faculty members engage students in the community development programmes. Rural India has been facing uncleanliness, unhygienic, malnutrition conditions and the most important problem is open defecation and alcohol. Lack of awareness is noted among the villagers about such problems like health, cleanliness and diseases. Our teams work for solving such social problems.

NSS has adopted a village called Banjari where camps have been organized and student volunteers do survey, create awareness, organize health camps, etc. Our NSS volunteers, NCC cadets and other students actively participate in the rallies on AIDS awareness organized by CDMO office, Vedanta Ltd, etc. Annually, NSS unit organizes health, blood donation and hemoglobin checkup camps in collaboration with government and non-government organizations. Also, physicians are invited to deliver their talk on health, nutrition and female related issues. Several other programs like Green environment & plantation, Gender sensitization, Cloths & stationary donation camp, Campaign - Say no to plastic, Mental health awareness, Feed animal drive for stray cows, National Youth Day celebration, Road safety awareness campaign, NSS Day celebrations, Blood donation camps, Eco Club activities, Women Development and Empowerment activities, International Disability day activities etc. have been organized at different places. Our students provide counselling services to their juniors in the neighborhood high schools as a part of Social activities.

NCC Cadets have been engaged by the department of Police Superintendent in traffic management during Durga Puja, Jharsuguda District Festival Dulduli and any such other events. Due to their commendable work, they get felicitated by the District Administration as well as other organisations.

These activities among students make a positive impact on health awareness and personal hygiene. Working together with other individuals, students learn to negotiate, communicate, manage, conflict and lead others. Such programmes sensitize the student volunteers towards the social issues and take challenges of the lesser privileged sections of the society. Involvement in these extension and outreach activities the students develop critical thinking, leadership skills and time management. Working outside the college campus and with diversified social groups of people allows students to gain more self-confidence, autonomy, and appreciation for others. These activities help them to become good leaders and citizens. Through the social media handles like Facebook, YouTube, LinkedIn, Twitter and Instagram, our college extends its activities more to the wider neighborhood community.

The following reports show the extension activities and its impact on sensitizing students to social issues and holistic development.

1. Name of the Event: Menstrual Hygiene Awareness

Date of the Event: 02-09-2019

Purpose: Awareness programme on Menstrual Hygiene in the village of Dalki.

2. Name of the Event: Blood Donation Camp

Date of the Event: 02-07-2019

Purpose: Blood Collection
