

Policy Document for Award of Scholarship and Freeships

There are various schemes through which our students are benefitted from state and national scholarships. The Odisha government has been thoughtful in ensuring a smooth and easily accessible process for both students and institutions by implementing DBT (Direct Benefit Transfer) for transactions. The Scheme of eligibility is available in the respective website (<https://scholarship.odisha.gov.in/>).

For ease of verification it is provided as it is available in the website.
