Students from all castes, religions and languages get admission in the college on the basis of merit and irrespective of gender, they are provided with facilities to participate in several activities. The institution strongly believes in creating a healthy and inclusive environment respecting various belief systems, culture and traditions with utmost respect and tolerance. The college motto "Together we Make the Difference" indicates the inclusive culture of the institution. The institution aims to build a nation of youth who are noble in their attitude and morally as well as socially responsible. It sensitizes them about the duties and responsibilities towards humanity, country and the world. Thus several activities are conducted to build and promote an environment for ethical, cultural, human values among students and staff.

Every year in the beginning of the new session the college organizes induction program for the new-comers, where college rules regulations and code of conduct are informed to the students. In the departmental level welcome programs are organized to make the students familiar with faculty members and other students of the department. To develop the emotional and religious feelings among the students and the faculty, commemorative days are celebrated.
